

Blue & Gold

THE OFFICIAL NEWSLETTER OF THE NORTH CRONULLA SURF LIFE SAVING CLUB INCORPORATED

SEPTEMBER 2013 – Volume 28 – No. 1

Club President . . .

Hello everyone – welcome to the 2013 to 2014 Season and the September issue of the “Blue & Gold”.

Our AGM was held in July and we now have a new Board of Directors (BOD) already fully engaged with pre-season activities and preparations for the year ahead.

With regards to the BOD, we have a great team of people in the various roles and positions and with all key positions filled, we are in better shape than the same time last season.

During the “Off Season” or winter break, we had teams from North Cronulla represent and compete at the NSW State and Australian IRB Titles and Club Members represent State IRB Teams and the NSW and Australian Pool Rescue Championships with – great success.

Congratulations to all Members on your results and representing the “Blue and Gold” at these events.

Over the last 12 months, we have been working to our Club Management Plan 2012 – 2015 and the key functional areas of:

1. Lifesaving and Patrols
2. Training and Education
3. Competition (Surf Sports)
4. Business and Administration
5. Member Services
6. Community.

These six areas are critical to the successful running and management of our Club and this is an ever changing and dynamic operation, with our Directors working on implementing their plans for the season and developing new plans as required to meeting the obligations of SLSNSW and SLSC.

Our Lifesaving and Patrol function, led by Jamie Primmer, Darren Thorne and Kane Hughes are now working on preparation for the Annual Sydney Branch Gear Inspection and developing the Patrol Roster for the season based on the recently signed SLSNS Patrol Service Agreements for the next three years.

Training and Education is in full swing, with Jason Gollan and his team already training SRC and Bronze Squads at the Club during the week and on weekends.

Courses for other Awards are advertised and waiting for Candidates to nominate as per the Training and Education Timetable.

The timetable includes the dates for Proficiencies for all the different Awards to be held at North Cronulla Beach and please note your Proficiency has to be completed before 31 December 2013.

Our new Competition Director, Peter Moyle has hit the ground running and working on the plans for the season for all Competition Sections that includes an a major logistical trip to Perth for the 2014 Australian Titles.

There are major changes recently announced and to be announced, that will impact on all Competitors in the Club and Peter will manage these changes and implement into our Competition Section.

The Junior Activities Group or Nippers, under the leadership of Michelle Sheldon – Under-14 Director and the JAG Committee are about to start their registration process over the next few weekends in September and I welcome all the new and current Nippers back to the Club.

It is great to report we already have our Under-14 Nippers involved with their training for the SRC Award, which is their first very important step to become a Life Saver at North Cronulla.

The Nippers will be celebrating a very important milestone in 2014 – which will mark our 50th Anniversary as a Nipper Club.

This is a fantastic achievement and we will be planning and holding a great event to celebrate the occasion for all current and past Nipper Members and Management Team.

Other important activities include a Committee working on our Club Constitution to review, update and rewrite to reflect changes in our day-to-day operation, Club job position and changes in regulations for Branch, State and National Surf Lifesaving levels.

This task is gaining momentum and there will be a draft constitution for BOD review later this year and to be ratified by the Club Membership in 2014.

We have a new Website that will be officially launched at the start of the season, but is available to check out now. Please note the new *url* and save to your favourites.

www.northcronullaslsc.com.au

Moving forward, all our important dates, news, updates, documents including “Blue & Golds”, social media links and anything Surf Club – will be on the Website.

The challenges we need to face over the next 12 months are not that different to the previous 12 months and are common to all Surf Clubs in Australia.

We need to focus our energy, efforts and resources into developing our Members and their potential and this will help the Club achieve the goals and objectives of our Club Management Plan.

Once again, welcome to the new season and Team North Cronulla. I hope you enjoy your time and achieve your personal goals at North Cronulla SLSC over the next season and beyond. Yours in Surf Lifesaving.

Craig “Styx” McKinnier, Club President.

Club Activities:

During the season we produce a Newsletter generally every week that is emailed to Members. During the Winter/ Spring months the Newsletter will obviously be less frequent, however it is important to always keep your details up to date via the Club Office or using Lifesaving on line.

Below is summary of some highlights from the January to March editions of the Newsletter in case you have missed – enjoy!

January

- Lachlan Moyle was selected in the NSW Surf Lifesaving team prior to Christmas. Lachlan and the NSW team won the Interstate Championships defeating the very strong Queensland team and other team from around Australia.
- The Nippers hosted another Australia Day Ironperson Classic with our club achieving some fantastic results on the day.

February

Holiday Board Clinic

- Our Board and Ski Section held a very successful Clinic for our Nippers over the final weeks of the school holidays. Over the eight days, 44 Nippers attended with lots of great friendships and great skills developed.

The Clinic raised \$2465 for funds for the Ski Section.

Congratulations to the Under-15, Under-17 and Under-19 Members who gave their time to volunteer to run the Clinic and to the parents, who organised and supported the program – particularly Jodee Calo for her fantastic organisation. Look for the program to be run again next season.

Rescue of the Month

- Surf Lifesaving NSW hold a “Rescue of the Month” competition where Clubs are encouraged to nominate any rescue either individual or group – that demonstrates outstanding service and Lifesaving skills.

Already this season we have had many rescues that have seen our Members go above and beyond in their service to the Community.

Two examples of rescues that have been nominated successfully by the Club to date include the rescue performed by Kyle Cameron, outside of Patrolling Hours, which was subsequently endorsed by Sydney Branch for the State Final in November.

More recently, the rescue was that performed during January by Jye Highfield and Lochie Davis and Patrol 7 that has also been endorsed by Branch for the State Final.

Great work to all our Patrolling Members!

March

- State Titles – Nippers
Congratulations to our Nippers for their efforts in Umina – for years to come many stories will be told of those who braved reportedly the toughest conditions ever seen!
- State Titles – Seniors
Congratulations to our Masters and Open Competitors for their fantastic results.

Some highlights:

- North Cronulla 3rd place overall pointscore.
- Under-15s – 1st place pointscore
- Lochie Davis and Lara Moses three NSW Gold Medals
- Under-15 and Under-17 Girls State Cameron/Taplin Relay Champions
- Under 15 Beach Relay Gold Medal
- Under-17 R & R Team – Gold Medal in the Open Women’s R & R.

In all, some of the many great results!!

Thanks to the Club Officials, Team Management, Coaches and spectators – for the fantastic support!

Thanks to all the Patrol Members who kept our beach safe over the weekend and covered the Patrol obligations.

Surf Club reminders for the Spring months:

Please remember the Surf Club is a place for all Members to share.

Therefore:

- **Save water and take a short shower – in the cooler months it can be tempting to take longer showers –use the Club facilities with care and consideration for others.**
- **Put things back where you found them.**
- **Don’t leave your bikes on the floor in walkways, especially in the Boatshed!**

Finally, if you do swim in the heated pool and remove the covers – always remember to put the covers back on when you are finished!

Super Sundays

*Bar is open every
Sunday from 3pm*

- **Sunday 22nd September**
“Club to Club”
- **Sunday 6th October**
NRL Grand Final
- **Sunday 3rd November**
“Phantom Melbourne Cup”

87th Interclub 2013

What a fantastic display of Club support and camaraderie by our North Cronulla Members – hosting the 87th Annual Interclub Carnival on the weekend 23-24 April, backed up by fantastic conditions, with a small swell and sunny skies – the two days turned out a great success.

Our Competitors performed magnificently with unbelievable results across all disciplines and we thank them all for their efforts, especially those that had to back-up in many events.

To those that put their body on the line for the “Blue & Gold” by “risking life and injury” in the Masters Events – your performance will bring the crowds back to the Interclub and be spoken about for years to come!!

Who will ever forget fast finishing Kevin Macnamara in the Masters Relay – clutching at his hamstring with five metres to finish – but still dragging himself over the line to claim second place, then collapsing on the sand in pain and jubilation! Inspirational!!

The post-carnival Presentation of the Shields and Pointscore in the Ballroom, produced laughter and tears with North Cronulla taking out the inaugural “Harry Brown Rescue Shield”. I’m sure Harry is a very proud and happy man.

A big thank you to all the people that helped make the day a success – Julie H, Baz, Brownie, Martin, Ron and his Officials, Beach set up and take down, Announcers, Patrol Members, IRB, Committee, “Bursty” from Branch, Larry, Frank and everyone else that helped on the day.

Jamie Primmer – Club Captain.

Australian Titles Report

Both our Masters and Open/Age Championship Teams competed with determination, gusto and gave it their all!

The weather conditions were excellent and very much appreciated by all supporters who turned out to cheer on their Club.

Oliver Hoare and Rory Jenkins are distinguished Competitors who took out Gold in both their respective events. Oliver won back-to-back Australian Gold Medals in the 2km Beach Race – which can be as unpredictable as the ocean – it's not easy though he makes it look easy.

Rory rode to perfection to take out the Under-19 Surf Board Riding Event, as well as individual Silver in the Open Male Surf Board Riding Competition.

Our young stars in the Under-15 Male Surf Team – Joel Walker, Lachlan Moyle, Lochie Davis and Chris Hoare were victorious in achieving Gold. They have been Award Winning Nippers and now Senior Australian Champions!

Lachlan Moyle and Lochie Davis won an additional two Silver Medals in the Board Rescue and Surf Board Relay with Joel Walker as part of the Relay Team.

Lara Moses, Jazmin Turner and Veronica Charles continue to impress with their individual Australian Bronze Medals. A special and deserving mention must go to Matthew Day, who never gives up taking out an individual Bronze in the gruelling Beach Sprint.

Our Under-23 Men's Surfboat Team – Joel Croft, Angus

McKenzie, Kane Hughes, Andrew Lambert and Sweep Trevor Robson – smashed through the ocean to a Bronze finish, as did our Under-19 R & R Team in the Open Female Division – securing their Bronze Medal.

Our Masters Team is truly inspirational with their exceptional and consistent Championship Medal results.

Gladys Honer gained not one, but three individual Bronze Medals for the 1km Beach Run, Beach Flags and Sprint. Shane Whittaker got a bronze in the Iron Man Event though extremely close in many other Medal Events.

Our Masters Boat Crews got Silver and two Bronze Medals for the 180, 120 and 140 years Male Surf Boat Races. We are proud of our Team in finishing equal 9th in Australia in the overall pointscore.

NSW Pool Rescue Championships

It was a cold Saturday morning and seven families turned up bleary eyed, ready for the NSW Pool Rescue Championships at Woy Woy.

With only a small, relatively inexperienced Team taking on the much bigger Clubs from Terrigal and the Bate Bay area – we were ready to hit the Pool.

The first event of the weekend was the Obstacle Race, where Abbey Pugh came third to claim the first Medal of the weekend.

This was quickly followed by Lachie Moyle with second place and Jett Garland winning his Age Group – and his first Gold Medal.

The next event was the widely feared 50m Manikin Carry, where both Lachie Moyle and Ethan Garland brought home Silver in their respective Age Groups.

Both Nikki Glasson and Cheyne-Leigh Wardrop contested their events – unfortunately both were disqualified, possibly for laughing?

This was followed by the 50m Brick Carry for the Under-12s and Under-13s. After a nervous start, Maddy Moyle had a fantastic race – securing ninth place in a hot field.

Jett Garland sprang from the blocks to win a very exciting race – claiming his second Gold Medal for the day.

The 100m Manikin Tow With Fins was the final event of the day.

After a nail biting transition, Lachie had a fantastic swim to claim his first Gold for the Carnival.

Abbey had another great race to secure second, while both Nikki and Cheyne-Leigh managed sixth places after fantastic races.

The stand-out of this event had to be Ethan who, the week before, was struggling with this event and after many extra hours in the pool, had the race of his life – claiming Gold!

We ended the first day in equal sixth place in the Club Pointscore, beating many of the other much better represented Clubs, particularly our fellow Bate Bay Clubs.

Sunday began with more success, with Abbey and Cheyne-Leigh claiming Silver in the Line Throw Event. Lachie had a fantastic throw to Ethan, enabling them to win the Gold by a good margin.

We next saw Abbey and Lachie taking on the toughest event – the Super Lifesaver.

Abbey went out hard, with a strong finish to claim Silver in a very close race. Lachie had a great race too, also gaining Silver.

North Cronulla's NSW Pool Rescue Championships Competitors.

The final Championship Event for the weekend was the 50m Freestyle With Fins.

This is an extremely quick event, with most Competitors not surfacing until they touch the wall.

All of the kids had a great race – with Lachie claiming third place, Cheyne-Leigh claiming fourth place and both Nikki and Maddy claiming fifth places.

Jett had been conserving his energy all day, and was clearly determined to do well. He had a blinder, winning his third Gold for the weekend.

As a Club, we ended up eighth in the pointscore with 101 points.

This is a phenomenal effort considering we only had seven Competitors competing against much bigger and more experienced Clubs.

It's great to see so many new Competitors – especially the younger kids from Nippers, who can use this Carnival as a stepping-stone into the Senior Club and experience a Senior Carnival.

Hopefully, we will be able to continue to grow this Team next season.

The Team Events really are a lot of fun and it would be great to have some Teams next year.

These fantastic results could not have been achieved without the help of Aaron Markey, Kyle O'Brien and Peter Moyle.

Both Aaron and Kyle are new to the Club and willingly volunteered to share their expertise and knowledge.

I really appreciate their help – and hope to see them back next year. Peter was at every Training Session, setting Manikins and helping out behind the scenes.

Finally, Abbey and Ethan went to Brisbane for the National Pool Rescue Championships on 16th-18th of August. Abbey got a Bronze Medal in the Women's 14-YO 100 LC Metre Manikin Tow with Fins. Ethan also got a Bronze Medal in the Men's 13 YO 100 LC Metre Manikin Tow With Fins.

Beth Fulton – Team Coach/Manager.

Surfboat Captain

Welcome! For those who don't know me I'd like to introduce myself. My name is Michael Bofinger, also known as "Bof". I have been a Member of this great Club for 30+ years and I have been a North Cronulla Rower for 24 of those.

I am very passionate about this Club and I am even more passionate about the Boat Section. For the past six years I have been involved with my children in Nipper's and the Junior Board and Ski Section, but now I am happy to return to a Section of the Club, where I feel most at home.

Over the years, I have been led by several long standing, experienced and inspirational Boat Captains and I know I have *huge* shoes to fill. I only hope I can pass on some of the knowledge that I have gained from being a part of this Section and under the guidance of these wise Veteran Rowers and Sweeps. I'd also like to acknowledge the hard work and dedication of Liam over the past two years and I'd like to congratulate him on the success at last season's Australian Titles.

I thank those who have encouraged and persuaded me to finally put my hand up to lead our Section into this up-and-coming season. I feel heartened by the willingness of many of you who have stood up to support and drive our Section as a Leadership Team.

Special mention must go to:

Adam Purdie – Vice-Boat Captain

David Gregson – Manager

Dean "Wokeye" Bartlett – Assistant Manager

Ben Smollett – Head of Finance

Matt Bell – Head of Sponsorship

Linda Hawkins – Ladies Crew Representative and Sponsorship.

We are also fortunate to have at our disposal the expertise of:

Donny Workman (Renown Boat Coach and legendary past Boat Captain)

Terry "Dog" Dowers – Super Coach & North Cronulla's Coach of the Year 2013 Season

Tom Chapman – Trainer, Program setter and 6pm Thursday evenings Boxing and Fitness Trainer – a great session – all welcome to attend

Corey Bocking – Strength and Conditioning Coach

Baz Schuettrumpf – In charge of the Veterans

Sweeps – The two best Sweeps in Australia – "Yappy" and "Trax" and our up-and-coming Sweeps – Adam Purdie, Mick Hawkins, "Hawkeye" and Jason.

Assistants, trainers/ sweeps -Aunty Jack, Cashy, Geoff Streater, Barney Ferguson, Paul Bouffler, Roger Mentha, Baz and myself.

My role as I see it, is to work with the Boaties Leadership Team, you – the Rowers, Sweeps, Sponsors and our Club – to build our Section from strength to strength to make it competitive – but above all, enjoyable!

In order to do this, we all need to work as a Team by supporting, encouraging, mentoring and sharing our equipment and talents!

In discussion with many Rowers, we believe this Section must now continue the building and recruiting phase – starting in our Junior Section and Women's Division. Acquiring craft is also a priority.

I would also love to see the boat section supporting other sections in the club as we are *one Club*!

All Rowers are encouraged to:

1. Consider their level of commitment for the Season ahead – at whatever capacity that may be – the Social Crews are always welcome.
2. Ensure your Membership Fees are up to date!
3. Establish their Crews. Nominate a "Captain" to drive and communicate with and for the Crew. This person will be in charge of "fines"! They will also act and respond to correspondence shared by the Leadership Team regarding Training, Social, Fundraising etc.
4. Have a formal health and heart check before the season commences. Especially if you are over 40!
5. Get fit , have fun – be as competitive as the surf allows.

Sponsors

We are very grateful to have the support of our Sponsors.

Without them we would not have a boat section. Please support them wherever possible.

Boaties Calendar

"Boaties Get Together" initiated by Peter Armstrong – will be held on the 7th of September at 6pm in the Judd Room. All past and present Sponsors, Supporters, Sweeps and Rowers most welcome. All those that are rowing or intend to row this season are asked to meet prior to the festivities at 5.30pm for a quick Meeting.

The "River Run" kicks off the Boaties Season on the 12th October. Entries must be submitted no later than Monday 8th October. If any Crew is considering competing please email me ASAP to ensure you are entered.

Regards – "Bof".

Club Facilities

As the 2013-2014 Season has now "officially" started! Here are some timely reminders regarding our Club facilities.

- **Club Toilets:** We have Junior and Senior toilets and showers.
The Pool Area toilets are the preferred facilities for our Junior or Nippers Members at all times.
As adults use the Senior showers, please ensure (for obvious reasons) that Juniors use the Pool Area showers.
- **Showers:** Don't waste water! Keep your shower short!
- **Pool covers:** If you remove the Pool Covers – please replace them. Keep the Pool covered when not in use.
- **No sand:** Try and keep the sand on the beach and not in the Pool. Please wash sand off before entering the Pool.

Club facilities are for Club Members only!

Welcome to new Sponsor – Rip Curl

Rip Curl has supplied Gift Vouchers for the Australia Day Iron Person Classic, helped with the supply of our 2103 Australian Touring Team Uniforms and is providing all North Cronulla Members with a Discount Card for their Cronulla and Miranda stores.

RIP CURL would like to offer NCSLSC Members 15% OFF Full Price Rip Curl Products!

Support the Surf Company that supports your Surf Club!

*Australian IRB Titles – Open Male Mass Rescue.
Bronze Medal: Kane Hughes (Driver), Jarred Kucler (Crew)
Dani Herman (Patient), Elissa Hughes (Patient).*

VALE – Dennis Lincoln

Dennis Lincoln recently passed away, after a long battle with cancer. You will remember him as one of Warwick Kent's "Thursday Morning Regulars".

The photo is from the 50's when he was a proud North Cronulla "Clubby" – resplendent in his new blazer.
